

# Kinder House Day Care

## Toy Policy

As we provide care to different age groups, we ask that you **do not** allow your child to bring toys or small trinkets (coins) from home due to potential choking hazards, health and liability issues. Some cuddly toys are allowed for rest period or quiet time, but these are brought at your own risk. Our Staff cannot take the responsibility for any toys that may be lost or broken, and it is not their responsibility to look for toys that are lost.
