Summer Vacation

To continue to provide consistent care for your child and to eliminate hiring unknown, new relief staff for the summer, the Center will close for 2 weeks for vacation. This way your child will not have to be introduced to someone new and not familiar to him/her for short periods of time. Everyone at the Center will have the opportunity to rest and enjoy themselves with family at the same time. The dates for summer vacation will be **July 23th to August 6th, 2018**. Kinder House will re-open again on August 7th, 2018.
