

# Kinder House Day Care

## After Hours Interactions Policy

Kinder House Day Care hours of operation are Monday to Friday, 7:30 a.m. to 5:30 p.m. Any relationships that occur between Day Care Staff and Registered Families at the Center are to remain separate from the daily operations and interactions at the Center.

### **Babysitting**

We ask that Parents/Guardians of children enrolled at Kinder House Day Care **do not** ask Day Care Staff to provide babysitting services outside of the Center, in their homes or elsewhere. The Staff at Kinder House Day Care are certified, qualified Early Childhood Educators, employed by Kinder House Day Care. Please respect them for the professionals they are. Kinder House Day Care **does not provide afterhours care**, and with the advice of Legal Professionals, any individual employed by Kinder House Day Care is prohibited from providing babysitting services to families of enrolled children as well as soliciting babysitting positions to others while on the job. Kinder House employees are also prohibited from taking children off the Day Care premises, outside of regular scheduled Day Care activities such as: scheduled Fieldtrips and walks to the park. Contravention of this policy may result in significant consequences (termination) for the Staff and Parents who do not comply with this policy.
