

# Kinder House Day Care

## Parent Involvement

At Kinder House, we use a number of recyclable materials for our craft corner such as: cardboard, cereal boxes, paper towel rolls, tissue paper, egg cartons, milk cartons etc. If you have any of these “treasures” that you would like to contribute, we will gladly take them!!

We are very aware that our Parents are extremely busy; however, if you would like to share any of your “talents”, “skills”, Professional Background, “cultural background information (special events happening in your culture)” with our children and Staff, you are welcome to join us. If you can play an instrument, tell stories, or if you have an interesting career, these are important things that could enrich our Center!

Come along on one of our field trips if you are available (we only plan them for the summer time). It could be educational and lots of fun, too!!

Or, join us for the social events and workshops that occur throughout the year. This is a great opportunity to get to know your Child Care Center, Staff, other Parents and the many Community Resources that are available.

Our Center also has a **Parent Advisory Committee**. Providing an advisory role in the center decision-making process will ensure that parent’s perspectives are considered in how our Center operates. If you are interested in becoming a PAC member, please email your request to [kinderhouse.daycare@gmail.com](mailto:kinderhouse.daycare@gmail.com) and the center’s Director will contact you. **You do not have to be** on our PAC to ask questions, express concerns or share suggestions. We have an open-door policy and you are welcome anytime.
